03.2019 > present
06.2019 > present
03.2019 > 05.2019

- Working as part of a team of developers, using agile work methods;
- Creating fully-responsive templates for WordPress websites;
- Developing features and fixing bugs;
- Maintaining existing websites and performing health checks.

Communications Officer

04.2017 > 12.2017

Alliance2015, Brussels, Belgium

- Managed social media accounts, creating written and graphic content for social media campaigns I organised;
- Produced printed communication materials, including a flyer;
- Wrote, edited and designed two-monthly internal "Updates" via MailChimp, in line with the editorial guidelines I established;
- Managed the website (using Typo3) and intranet (SharePoint).

Communications Assistant

04.2016 > 04.2017

VOICE asbl, Brussels, Belgium

- Lead the development of the new custom-built website, developing content and sitemap, liaising with the website developers, and setting up Google Analytics;
- Produced internal newsletters and event reports;
- Edited publications such as bi-annual magazine and annual report.

Communications Intern

09.2015 > 03.2016

Greenpeace European Unit, Brussels, Belgium

- Developed written and graphic content for the website and twitter, regularly getting high engagement rates;
- Cultivated press relations and handled media inquiries;
- Wrote, edited and disseminated press releases which were quotes by the Guardian and other major newsletters.

Media and Communications Intern

01.2015 > 07.2015

World Future Council, Hamburg, Germany

- Managed social media accounts and increased engagement
- Managed and wrote content for bilingual website (Typo3).

};
